

HONG KONG RNA CLUB

香港城市大學
City University of Hong Kong

Seminar

15 Sept 2023 (Fri) / HKT 11:15-12:15

Venue: City University of Hong Kong
Yeung Kin Man Acad Building
(AC1), B5-311

Distinguished Speaker:

Dr. Li-Sheng ZHANG

*Assistant Professor,
Division of Life Science and Department of Chemistry,
Hong Kong University of Science and Technology*

**Base-resolution quantitative
sequencing methods for functional
investigation of RNA modifications
in gene expression regulation**

Sponsors:

moderna

eppendorf

Novogene

LEXOGEN
Enabling complete transcriptome sequencing

Refreshments provided!
